COLBY™ LAGER BEER

Satori Beverages International

QUALITY BEVERAGES FROM AROUND THE WORLD

Satori Beverages and Kyodo USA are pleased to present COLBY™ LAGER BEER. Our mission was to develop a beer appealing to the masses in both taste and price. After endless hours of searching, testing and tasting, we discovered the perfect formula.

Colby Lager Beer is made in small batches and is handcrafted using pure 2-row barley grown and malted in Biggar, Saskatchewan, premium hops from the Pacific NW, deep well water and our proprietary yeast. It is placed in cold storage (lagered) for a minimum of 35 days resulting in a clean, crisp, smooth tasting beer.

Tasting Notes

Colby Lager Beer is a classic Canadian-style dry lager. Bitterness is distinctly subdued and a slight malty aroma effervesces from the moderate foaminess with just a slight hint of sweetness. It is a golden color with light aromas of malt and grain. It has a pleasant hoppy bitterness and a clean crisp finish.
