DRAGON'S EYE™ LAGER BEER

Satori Beverages International

QUALITY BEVERAGES FROM AROUND THE WORLD

Satori Beverages and Kyodo USA are pleased to present DRAGON'S EYE LAGER BEER. Our goal was to develop a quality beer that has the taste and feel of a craft beer, but was available to a much larger group of beer lovers. After many months of research for just the right taste, we finally came up with what we believe to be a beer that is sure to please.

Dragon's Eye is a superb example of a classic ice beer. Stored and filtered just above freezing produces a refreshing and crisp beer. It is brewed using 2-row malted barley grown in the Midwest.

Tasting Notes

Dragon's Eye Lager Beer is a classic Canadian-style Ice lager. It is a full bodied beer that pours golden yellow with a substantial head. It starts with a gentle maltiness and finishes with a satisfying hop and a mild alcohol bite.
