HIGHLAND AXE[®] BLENDED SCOTCH WHISKY

Satori Beverages International

QUALITY BEVERAGES FROM AROUND THE WORLD

Satori Beverages and Kyodo USA are proud to offer HIGHLAND AXE[®] SCOTCH WHISKY. Highland Axe embraces two Scottish traditions – the creation of Scotch whisky, which has a history dating back to the 1400's and the Lochaber Axe, which dates back to the 1600's. While the sands of time have resulted in considerable advances in the distillation of Scotch, Highland Axe captures the spirit of an era when the "aqua vitae" was being produced in Scottish monasteries. We believe that an integral part of the total Scotch experience is understanding its roots.

Highland Axe Blended Scotch Whisky has a golden honey color, a slightly peaty taste and a smooth spicy finish. It can be enjoyed on the rocks or straight up, and is especially good as a part of your favorite cocktail.
